Background

3. **The Beeches Independent School is committed to safeguarding and promoting the welfare of all children. Safeguarding is everyone's responsibility.**
4. Our safeguarding arrangements are underpinned by:
 - [Keeping children safe in education 2026](#),
 - [Working together to safeguard children 2026](#),
 - [The Education Act 2002](#),
 - [Children Act 1989](#) and [Children Act 2004](#),
 - [The Human Rights Act 1998](#),
 - [The Equality Act 2010](#),
 - [Data Protection Act 2018](#) and [UK GDPR](#), and
 - [Cambridgeshire & Peterborough Safeguarding Partnership Board Procedures](#).
5. The welfare of the child is paramount and all decisions made by The Beeches Independent School will be taken in the best interests of children.

6. This responsibility is more fully explained in the statutory guidance for schools and colleges [Keeping children safe in education 2026](#) (KCSIE). All staff must be made aware of their duties and responsibilities under Part One of this document.
7. It is essential that everyone working in a school or college understands their safeguarding responsibilities. The proprietor body, working in partnership with the senior leadership team and the Designated Safeguarding Lead (DSL), will ensure that all staff, including those who do not work directly with children, read and understand at least Part One of [KCSIE](#).
8. Proprietor body should ensure that mechanisms are in place to assist staff to understand and discharge their roles and responsibilities as set out in [KCSIE](#).
9. Through their day-to-day contact with pupils, and direct work with families, all staff in school have a responsibility to:
 - Identify concerns early, offer support, and prevent issues from escalating,
 - Provide a safe environment in which children can learn,
 - Identify children who may benefit from Family Help and early support,
 - Know what to do if a child tells them he/she is being abused or neglected in line with the setting procedures, and
 - Follow the referral process if they have a concern and support children's social care and other agencies following this (paragraphs 55-61 of [KCSIE](#)).
10. This policy is consistent with the [Cambridgeshire & Peterborough Safeguarding Partnership Board](#) procedures.

Purpose

11. There are four main elements to this policy:
 - 1) **Prevention** – Through the teaching and pastoral support offered to pupils and the creation and maintenance of a whole school protective ethos,
 - 2) **Procedures** – For identifying and referring cases, or suspected cases, of abuse or exploitation,
 - 3) **Supporting children** – Particularly those who may have been abused or witnessed violence towards others, and
 - 4) **Preventing unsuitable people working with children** – Processes are followed to ensure that those who are unsuitable to work with children are not employed.
12. This policy is available to parents on request and is on the, The Beeches Independent School website- [The Beeches Independent School in Peterborough](#)

Scope

13. This policy sets out how the setting's proprietor body discharge its statutory responsibilities relating to safeguarding and promoting the welfare of children who are pupils at the setting. Our policy applies to **all** staff, paid and unpaid, working in the setting including advisory board
14. .
15. We use the terms "must" and "should" throughout the guidance. We use the term "must" when the person in question is legally required to do something, and "should" when the advice set out should be followed unless there is good reason not to.
16. Safeguarding and promoting the welfare of children is defined as:
 - Providing help and support to meet the needs of children as soon as problems emerge,
 - Protecting children from maltreatment, whether that is within or outside the home, including online,
 - Preventing the impairment of children's mental and physical health or development,
 - Ensuring that children grow up in circumstances consistent with the provision of safe and effective care,
 - Promoting the upbringing of children with their birth parents, or otherwise within their family network through a kinship care arrangement, whenever possible and where this is in the child's best interests, and
 - Taking action to enable all children to have the best outcomes.

Standard Commitments

17. We recognise that children who are confident, resilient, listened to, and supported by positive relationships with trusted adults are better protected from harm. We are committed to creating a culture where safeguarding is everyone's responsibility, children's welfare is paramount, and children feel able to seek help when they need it. The setting will:
- Establish and maintain a culture of safeguarding in which all children feel safe, secure, respected and valued, including within the online environment, and are encouraged and supported to talk openly about anything that worries them,
 - Ensure that all children are listened to and that their wishes, views and feelings are taken seriously and appropriately considered when determining what action to take, in accordance with their age, understanding and individual needs,
 - Ensure children know who they can turn to for help and support within the setting, understand how to report concerns about themselves or others, and are confident that concerns will be taken seriously and acted upon promptly and appropriately,
 - Promote protective behaviours, resilience, wellbeing and positive mental health through a broad, balanced and inclusive curriculum and through the wider life of the setting,
 - Provide a curriculum, including [Relationships Education, Relationships and Sex Education and Health Education](#) (where applicable), Health Education and online safety education, that is age, stage and developmentally appropriate and

responsive to the specific needs, vulnerabilities and experiences of individual children,

- Support children to recognise risks both online and offline, including abuse, exploitation, grooming, coercion, harmful sexual behaviour, sexual violence and sexual harassment, criminal exploitation, child-on-child abuse, radicalisation, misinformation and disinformation, and to know how to seek help and support,
 - Recognise that children may be at greater risk of harm or face additional barriers to disclosing abuse, including children with special educational needs and disabilities (SEND), children who are or have been looked after, young carers, children who identify as LGBTQ+, children experiencing mental health difficulties, and children with protected characteristics, and ensure appropriate support is in place,
 - Ensure all staff understand that safeguarding incidents and behaviours can be associated with factors outside the school/college and can occur between children as well as between adults and children,
 - Promote equality, diversity and inclusion, helping children to develop an understanding of respect, tolerance, healthy relationships, consent, protected characteristics and individual differences,
 - Challenge, address and respond robustly to all forms of prejudice-related behaviour, discrimination and abuse, including sexism, misogyny, misandry, sexual harassment, sexual violence, homophobia, biphobia, transphobia, racism, disablism and other behaviours motivated by prejudice or hate. Such incidents will be recorded, monitored and responded to in accordance with the setting's policies and procedures, and
 - Foster strong and trusted relationships between children and staff to ensure that concerns can be identified early, help can be provided as soon as problems emerge, and children receive the right support at the right time.
18. The Beeches Independent School will incorporate into the curriculum activities and opportunities which equip children with the skills they need to stay safer from abuse and exploitation in all contexts.

Primary Settings

19. We use the [Safer Spaces Action Toolkit](#) developed by the Cambridgeshire PSHE Service. Any concerns relating to physical abuse, sexual abuse or a child at immediate risk of harm must also be reported verbally to the DSL/DDSL as soon as possible and followed up in writing.

Designated Safeguarding Lead Arrangements

31. The proprietor body will ensure that an appropriately trained DSL and sufficient Deputy DSLs are appointed to provide effective safeguarding leadership.
32. The DSL or a Deputy DSL will always be available during operating hours and term time to discuss safeguarding concerns and support staff in making referrals where necessary.

In the absence of the DSL and all Deputy DSLs, staff should seek immediate advice from the Headteacher and, where required, make a direct referral to Children's Social Care or the Police through the safeguarding [Professional Referral](#) process. Staff should never delay action because a DSL is unavailable.
34. In the event the DSL is not on the school site, there will always be at least one of the DDSL's on site.
35. Whilst there is no statutory requirement for DSL availability during holidays, the setting will ensure that safeguarding arrangements remain proportionate to the needs of pupils. This may include monitoring safeguarding email accounts and providing a nominated safeguarding contact for urgent child protection matters.

Training

36. The proprietor body ensure that all staff receive safeguarding and child protection training at induction and through annual updates.
37. Training will include:
 - Child protection procedures,
 - Child-on-child abuse,

43. With support from the DSL and relevant IT providers, the effectiveness of filtering and monitoring systems will be reviewed at least annually by the designated senior leader responsible.

Whistleblowing and Low-Level Concerns

44. The proprietor body will ensure that all staff recognise their duty to raise concerns about poor, unsafe or inappropriate practice.
45. Concerns will be managed sensitively, proportionately and in accordance with the setting's Whistleblowing Policy, Staff Code of Conduct, and procedures for managing allegations and low-level concerns about adults working with children. See [Appendix A - Dealing With Allegations Or Concerns About An Adult Working With Children](#).

Vulnerable Groups of Children

47. The proprietor body recognises that while all children can be harmed, some children may face additional barriers to safeguarding and may be at greater risk of abuse, neglect or exploitation, both online and offline.
48. The Beeches Independent School will give particular consideration to children identified within [KCSIE](#) as potentially vulnerable and ensure appropriate support and protective measures are implemented where required.

- Promote a strong safeguarding culture where the welfare of children is paramount.

Multi-Agency Working

55. Education settings have a pivotal role to play in multi-agency safeguarding arrangements. The proprietor body should ensure that the, The Beeches Independent School contributes to multi-agency working in line with [Working Together to Safeguard Children 2026](#).
56. The Beeches Independent School will:
 - Work to develop effective links with relevant services to promote the safety and welfare of all pupils and students,
 - Co-operate as required, in line with [Working Together to Safeguard Children 2026](#), with key agencies in their enquiries regarding child protection matters including attendance and providing written reports at child protection conferences and core groups,

Electronic records are stored on an identified, purpose-built, secure platform- CPOMS and meets the DfE's [Meeting digital and technology standards in schools and colleges - Cyber security standards for schools and colleges](#). All staff are directed to the National Cyber Security Centre's (NCSC) [Cyber security training for school staff](#).
61. Information about children and their families is defined as 'special category personal data', i.e. information that identifies a living individual. Collection, storage and sharing of personal data is governed by the [United Kingdom General Data Protection Regulation](#) (UK GDPR) and the [Data Protection Act 2018](#).
62. The Beeches Independent School will ensure that information is shared appropriately to safeguard and promote the welfare of children, in accordance with data protection legislation and relevant information-sharing guidance. Staff must understand their responsibility to share information where necessary to protect children. The DSL will ensure that safeguarding information is shared on a need-to-know basis, that decisions to share or withhold information are recorded, and that Subject Access Requests are managed in accordance with the [Data Protection Act 2018](#) and [UK GDPR](#).

Communication with Parents/Carers

63. The Beeches Independent School is committed to working openly and collaboratively with parents and carers to safeguard and promote the welfare of children. Parents and carers are informed of the school's safeguarding and child protection responsibilities through the school website and other relevant communications:
- Where there are concerns about a child's welfare, The Beeches Independent School will, wherever appropriate, seek to discuss these with parents and carers and work in partnership with them to identify the most effective support. However, there may be circumstances where sharing information with parents could place a child or another person at increased risk of harm or could impede a criminal investigation. In such cases, The Beeches Independent School will act in the child's best interests and seek advice from relevant safeguarding agencies as required, and
 - The Beeches Independent School will maintain a clear record of discussions held with parents and carers, including the rationale for any decision not to inform them.

Responding to Child-on-Child Abuse, Sexual Violence, Sexual Harassment and Harmful Sexual Behaviour

64. The Beeches Independent School recognises that children can abuse other children, and that child-on-child abuse can occur both inside and outside of school, including online. All forms of child-on-child abuse are taken seriously and will never be dismissed as banter, part of growing up, or simply having fun. This includes, but is not limited to:
- Bullying (including cyberbullying),
 - Physical abuse,
 - Initiation or hazing behaviours,
 - Prejudice-based abuse,
 - Sexual harassment,
 - Sexual violence,

66. Staff will maintain an attitude of 'it could happen here' and will follow the procedures set out in this policy and statutory guidance. Further information can be found in Part Five of [KCSIE](#), which sets out the expectations for schools and colleges in relation to child-on-child abuse, sexual harassment, sexual violence and harmful sexual behaviour. Also see [Sharing nudes and semi-nudes: how to respond to an incident](#).

71. To achieve this, Peterborough's Education Safeguarding Team will share police information of all domestic incidents, where one of our pupils has been present, with the DSL or Domestic Abuse (DA) Lead. On receipt of any information, the DSL or DA Lead will decide on the appropriate support the child may require.

88. In cases where the Head Teacher is the subject of an allegation, it will be reported to the proprietor body- Phil Cass, The Beeches Independent School must follow the procedures set out in Part Four of [KCSIE](#).

89. The Beeches Independent School will consult with the Local Authority Designated Officer (LADO) in the event of an allegation being made and adhere to the relevant procedures set out in [KCSIE](#), Part Four and the setting's HR Policies as well as seek advice from their HR provider.
90. The Headteacher will ensure that all allegations are reported to the LADO within one working day. The LADO will advise on all further action to be taken.
91. Before contacting the LADO, The Beeches Independent School will use the guidance chart found in [Appendix A - Dealing With Allegations Or Concerns About An Adult Working With Children](#) to support their decision-making.
92. If The Beeches Independent School identifies that a child has been harmed, may be at risk of harm, or requires an immediate safeguarding response, the DSL (or deputy) will make a referral to the LADO, Children's Social Care and the police without delay, as appropriate.
93. The Beeches Independent School will use the local [LADO Procedures](#) set out by the [Cambridgeshire & Peterborough Safeguarding Partnership Board](#).
94. The Beeches Independent School will follow the duty of care set out on page 111 of [KCSIE](#) regarding the welfare of those involved.

Concerns that do not Meet the Harms Threshold

95. Low level concerns that do not meet the harms threshold should be reported to the Headteacher. The term low level does not mean that it is insignificant, it means that the behaviour towards a child does not meet the harms test.
96. In cases where the Head Teacher or Principal is the subject of an allegation, it will be reported to the proprietor body. The Beeches Independent will follow the procedures set out in Part Four, Section Two of [KCSIE](#).
97. As good practice the proprietor body should set out their low level concerns policy within their staff code of conduct.
98. All low-level concerns should be recorded in writing. The record should include details of the concern, the context in which the concern arose, and action taken. The name of the individual sharing their concerns should also be noted, if the individual wishes to remain anonymous then that should be respected as far as reasonably possible.
99. The Beeches Independent School can decide where these records are kept, but they must be kept confidential, held securely and comply with the [Data Protection Act 2018](#) and the [UK GDPR](#).
100. The Beeches Independent School will promote an open culture where concerns about adults working in or on behalf of The Beeches Independent School are addressed

promptly and appropriately. This helps identify inappropriate behaviour early, reduce the risk of abuse, and ensure all adults understand and follow professional boundaries, the setting's ethos and values.

101. The Beeches Independent School should ensure that **all** staff are aware of the need for maintaining appropriate and professional boundaries in their relationships with pupils, parents or carers as advised within the [Professional and Personnel Relationships Guidance](#). Signed confirmation is required.
102. The Beeches Independent School will ensure that staff, supply staff and volunteers are aware that sexual relationships with pupils aged under 18 are unlawful and could result in legal proceedings taken against them under the [Sexual Offences Act 2003](#) (Abuse of Position of Trust).

Proprietor body's Safeguarding Responsibilities

Use of Setting Premises for Non-Setting Activities

105. If the proprietor body provides extended facilities or before or after setting activities directly under the supervision or management of setting staff, the setting's arrangements for safeguarding as written in this policy shall apply.
106. Where services or activities are provided separately by another organisation or individual, either on or off setting site, the proprietor body will seek assurance that they have appropriate policies and procedures in place to keep children safe and there are arrangements to liaise with the setting on these matters where appropriate.
107. The proprietor body will use the guidance on [After-school clubs, community activities, and tuition - safeguarding guidance for providers](#), which details the safeguarding arrangements that settings should expect these providers to have in place.

- Review all sections, language and links
- Re-submit for approval

Appendix A - Dealing With Allegations Or Concerns About An Adult Working With Children

Box A

- How long has the adult or member of staff worked for you?
- Have there been any previous concerns raised?
- Is this a one-off or part of a pattern of behaviour?
- Has the member of staff previously been given advice in this area?
- Would an associated pattern of behaviour (if it exists) be seen by others? (How closely do they work with other colleagues?)
- Might this have been a planned action or event?
- Could this behaviour be inadvertent? What is the likelihood of this?
- Could this be the precursor to more concerning behaviour?
- Did it occur in a 'public' or 'private' place? Was this in or out of school or college?
- If electronic devices are involved, have any relevant files been deleted and is there any evidence of this?
- If this relates to inappropriate language, what is the precise nature of the language used? How inappropriate is it?

What was the context – where was this, and who were the listeners? Could this be seen as 'banter' or might it have more serious undertones?
